Due to supplier closings, manufacturing equipment age, and environmental restrictions, Sharp has ended the production of all Duty LCD Modules. The part numbers shown in the table above are considered 'spare parts' and demand for them has fallen to a point where they must be discontinued. There are no alternate parts available.

**Effect of Change:**

Production is being discontinued on the replacement parts shown in the table above. No alternates will be available.

These part numbers will move to a category "D" (Discontinued) classification effective immediately.

Upon receipt of this notice distributors will have the option to return parts that are in stock, provided the product was not category type "C" (Non-changeable, Non-Refundable) when ordered. Product must be in either factory sealed or Sharp warehouse sealed boxes, as per the terms of our agreement. Requests must be received within 60 days of receipt of this notice.
